

3<sup>rd</sup> March 2017

Dear Parent/Carer

As Acting Head of School I wanted to highlight some of the high quality learning experiences and wonderful enrichment activities that your child is taking part in. Recent and upcoming events include:

- **Interfaith Week** – celebrating the way in which students and staff respect similarities and differences across the academy and within our communities;
- **World Book Week** – encouraging students to explore the pleasure of reading through activities, including ‘drop everything and read’, a fancy dress competition and poetry and performance workshops, providing students a chance to practise their public speaking skills;
- **Celebrating Difference Week** – giving students the opportunity to champion and promote their peers with SEN and Disabilities; raising understanding across the academy’s community. The entire academy will be taking part in cultural, social and moral learning opportunities to help contemplate and celebrate difference.

Please regularly check our website because it contains a range of additional information covering student life across the academy. At the end of term, look out for the next issue of our **Creative News** newsletter, which will showcase a range of student learning activities, achievements and events. A copy will be posted to you and will be available on the website.

Thank you for your continued support to ensure that our students receive high quality curriculum and enrichment opportunities.

I will be keeping in regular contact with families updating you on school life but, in the meantime, if you would like to speak to me, please contact Reception on 0207 920 7900.

Yours sincerely

Ms J Montgomerie  
Acting Head of School
